Pastor's Perspective

It was another very full weekend at Snyder! And another reminder for me of the incredible staff and volunteers who make everything happen around here.

The weekend began for me at Campbell University Divinity School where Robbie Byrd received his Doctor of Ministry degree. His graduation reminded me of the incredibly talented and dedicated ministerial staff we have here at Snyder. Robbie does so many things for the members of this church and most of them behind the scenes. It is easy to overlook the value of quality pastoral care. Robbie provides this as well as any minister I have ever known.

Sunday morning brought two wonderful worship services that included 8 baptisms and 9 other individuals coming forward to join Snyder. We are able to offer two very different, but equally quality, worship services each week because we have two very gifted worship leaders in Giles and Larry and a host of talented volunteers who support them each week. Two members who normally attend the 11:00 service approached me separately Sunday evening to tell me how much they had enjoyed the early service that morning even though it is not their preferred style of worship.

The Steps of Faith program Sunday night was packed. Its message to and through the girls participating was powerful, biblical, and needed. I had tears in my eyes as each of our girls stepped up to the microphone to introduce herself and state in one sentence why she was unique, wonderful, or loved. None of this would have been possible without the time and talents of Laurie Morrison, the ANW worship team, the technical staff, and John Spiesberger's crew that has to set up, tear down, and clean up after all these events.

Space here precludes me from saying more about the exceptional team of ministry assistants and volunteers who work in our front office, but I think I've made my point. I hope you will take the time to thank all these individuals for making Snyder such a great place to worship and serve each week. See you Sunday! ~ John

Vacation Bible School 2010

Monday - Friday, July 19-23

At HERO HEADQUARTERS, kids will meet five unlikely Bible heroes who are often overlooked. In fact, we don't know a single one of their names! They were not famous leaders or called by God to perform amazing miracles -- yet their small acts were used by God to do wonderful things!

Kids will discover that if they are willing to be used by God in any situation, no matter how big or small, they can make a difference. With God's power at work, they can be heroes right where they are!

All Senior Adults 55 and above are invited to join us for a day in Myrtle Beach. We plan to leave the church around 9am and stop for lunch on the way there. First stop will be Brookgreen Gardens, a National Historic Landmark with the most significant collections in the world of figurative sculpture in an outdoor setting by American artists. Brookgreen Gardens also has the only zoo accredited by the Association of Zoos and Aquariums on the coast of the Carolinas. There we will have a personal tour of the gardens. After the visit there, we will head to a seafood buffet restaurant for dinner and then on to the Alabama Theater for the "ONE" show. The Alabama Theatre, voted #1 live theatre By Myrtle Beach locals and visitors, has been featured over the years on all major networks. The Alabama Theatre professionals deliver an incredible entertainment experience to audiences night after night. It's everything from Country, Rock, Gospel, Pop, Broadway, and plenty of great family comedy. The audience will recognize new and past chart topping songs of America's favorite music and be wowed by new Broadway production numbers.
