**Pastor's Perspective**

With summer almost over and school about to begin, lots of folks are trying to squeeze in their last few days of summer vacation. Gaye and I are going to try to get away for a few days this week as well. We didn't take any vacation between leaving West Point and starting our ministry here. As I've told some of you, I feel like I can't get a full charge on my battery. Of course, some of that might be related to my age, but we're not going to go there!

The truth is, God never intended for us to run full speed all the time. It's not healthy for us. That is one of the reasons He established the Sabbath - one day a week set aside for worship and rest. We see Jesus practicing this same principle in Mark's Gospel when he told his disciples to "Come with me by yourselves to a quiet place and get some rest." (Mark 6:31) As excited as they were about their ministry, and as much ministry as they had to do, Jesus knew they needed to catch their breath every once in a while.

I hope you've been able to catch your breath some this summer and that you are ready to recommit yourselves to the work to which God has called us here at Snyder. Your church needs you. There is much work to be done and there is a sense of urgency to get it done. Let's Unite Our Hearts in Loving God, Sharing Christ, and Serving Others. See you Sunday!

~John
