MOPS

What is MOPS?

MOPS stands for...

...Mothers of Preschoolers, a program designed to nurture mothers with children from infancy through kindergarten.

It is a safe and loving environment where moms have the opportunity to meet new friends and share experiences. They learn Biblical principles pertaining to womanhood, parenting, and marriage.

MOPS also provides opportunities for social outings throughout the year. MOPS night out events are \$5 for childcare regardless of the number of children you have; pizza and juice is provided.

This Year's Theme

MomSense: ...

“...**MOMSENSE** is the combination of every mom’s common “Sense” and “Mom” intuition, also known as “**MOMSENSE!**” Every mom fails, every mom feels overwhelmed, every mom cries, every mom blows it so profoundly she is not sure she can even tell her friends. But basic **MOMSENSE** overrides our fears and failures and reminds us that motherhood is our greatest adventure God has called us on. This year we will learn how to be the best mom for our children by embracing our own individual instincts. Join us as we learn to honestly assess our skills and develop our own unique mothering style rather than push one “right” way to be a mom, resulting in contentment, joy, and confidence as a mom.”
