CONTRACT

I understand that registration in The Snyder Music Academy is a commitment for the entire semester and that I have committed to pay the fee in full. Withdrawing from a class does not release me from my contract. I understand that a \$20 registration fee is due with this registration unless I pay the tuition in full at time of registration. Tuition and material costs may be paid in full or in monthly installments as listed in this brochure. Bills may be provided as a courtesy to me. Amounts are due even if no bill is received. I agree to this commitment.

ABC Music & Me

The **ABC Music & Me** program is offered weekly. Each lesson emphasizes a different area of your child's development: confidence, coordination, vocal expressiveness, careful listening, and early exposure to reading skills. You will see your child develop the social skills, listening skills, and learning skills necessary for early school success.

Kids call it fun. We call it learning!

Perhaps you're wondering...

How can music prepare my child for school?

During preschool years, children learn to "tune out" much of the visual, auditory, and physical stimulus they encounter. Positive experiences with music teach children to "tune in" - practicing focused attention and discrimination sounds.

Why is music such a great teaching tool?

Music stimulates the brain, forging neural pathways in all domains of learning; cognitive, emotional, social, and physical. Your child's entire brain is involved when he or she participates in music and movement activities.

Continue the learning at home!

Each child enrolled in **ABC Music & Me** will receive **3 Home Kits** containing full color Family Guides, a Home CD, and some kits include an instrument.

The **Family Guide** includes Parent Notes that highlight the skills your child is developing in class, activities to do together at home, and a story to share with the entire family.

The **Home CD** includes over 20 songs, rhymes, and stories from the class, and connects you musically to the activities your child has been enjoying.

Instructors: Kerri Hurley & Laura Thompson

Classes are for children enrolled in the following Child Care Centers: Snyder Memorial Baptist Church, First Adventures (Cape Fear Valley Health Care Systems), FTCC Child Care, and selected Sunshine House Child Care Centers. ABC Music & Me is also offered at Pilates of Fayetteville.

Kindermusik®
a good beginning

- Integrates physical cognitive, social and emotional learning domains for a whole-child approach to learning
- Uses a multi sensory approach to teach early music concepts such as loud and quiet, high and low, or fast and slow
- Invites children to explore the joy of group learning, practicing social skills such as turn-taking and cooperation
- Prepares children to practice the listening and attention skills that ensure early school success
- Introduces composers, songs and styles from a variety of genres, such as classical, jazz and folk
- Builds a sturdy foundation for music education by introducing children to music vocabulary, pre-music reading and more complex music concepts such as largo/presto and legato/staccato
- Provides fun, guided, ensemble-style opportunities for vocal exploration, movement, and instrument play
- Offers a primer for early keyboard skills

"It means so much to read through the Family Magazine together at home and say and do the exact things he did in class that day. It's as if I'm participating in his class alongside him."
