Upcoming Deacon Ordination

Sunday, February 7
Both Services - 9am & 11am

Because COVID has forced us to do many things differently than before, we will not be able to lay hands on each of the new Deacons. Therefore, we are asking you to write notes to be given to each of our first time elected Deacons. They are Carolyn Cannady, Paige Krauss and Buck Walker. We will present each of them with a stack of cards/letters/notes containing written words of blessing to them during both worship services that morning. You may bring your words of blessing to the Church Office anytime or to either worship service that morning. You can also pick up notecards from the Church Office if you are in need of some.

Online Sunday School

Don't forget about our *Online Sunday School* that is being taught by Wayne Ham. It's entitled "A Survey of the Bible and Christianity".

Part I includes a look at the history of the Bible, how it came to be in the form we have today and who wrote it. This will be followed by an overview of the Old Testament, tying each book to the next in the light of God's covenant relationship with mankind. Included will be film clips at locations in the Holy Land where the events recorded in the Bible actually happened. An outline of the course, which has room for study notes, may be downloaded online. At the end of the course an "exam" may be downloaded for you to "grade" yourself if you like. Part 2 will follow with a similar course on the New Testament and church beginnings. The lesson aims are to help us have a bird's-eye look of the Bible as a whole, tied together with one purpose: Reconciliation/Salvation.

To catch up and watch, go to www.snydermbc.com (or Roku, Fire TV...) and choose **Watch and Listen**. Then choose #3 Sunday School and then Adult SS. Both lessons are listed there. You can also go each week to Sunday Bible Studies on the website to watch the lesson each week.

Don't Forget! Our Media Library is still Open!

Child Dedication

Sunday, February 14
Both Services

One of the most precious responsibilities of Christian parenting is that of committing yourselves to raising your children in the "nurture and admonition" of the Lord (Ephesians 6:4). At Snyder, our desire is to partner with you as parents in this God-given privilege. We do that through Child Dedication. If you are interested in this, or for more information, please contact Karen McAmis at karenm@snydermbc.com or call the Church Office (910) 484-3191.

Pastor's Perspective

It has been 29 years since the Army sent me to Hawaii for a three-year tour with the 25th Infantry Division. All of the chaplains in the Division were tasked with something I have never seen done before or since. Preparing daily devotional thoughts for one week for the three General Officers in charge of the Division. I was a Captain at the time. Five pay grades below the Commanding General. Needless to say, I spent an incredible amount of time thinking about what to say and how to say it. I remember writing one of those devotions on the power and importance of our words. And Jesus' warning in Matthew 12 that we will all have to give an account on the Day of Judgment for every careless word we have spoken.

I have always been aware of the power of a person's words. James talks about the power of the tongue to do both wonderful things and equally destructive things. Paul instructs us to not let any unwholesome talk come out of our mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen. It is this powerfully beneficial purpose of our words that is on my heart and mind today. I know the power of my dad's words to me through the years. I am keenly aware of the power my words still hold for our three adult children. And I know my grandchildren are being profoundly shaped by the words of their parents. What power we all have to make a difference in someone's life with our words!

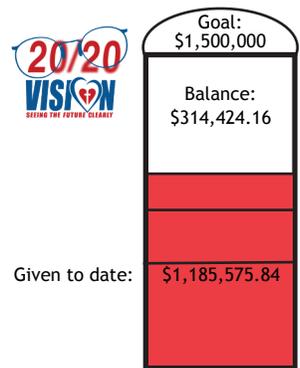

I have a unique request along those lines. COVID has forced us to do many things differently than before. Our upcoming deacon ordination on February 7th is no exception. One of the most powerful and memorable moments of an ordination is the laying on of hands during which individuals quietly speak words of blessing into the ears of those being ordained. We will not be able to do the traditional laying on of hands for Carolyn Cannady, Paige Krauss and Buck Walker this year. We will instead present each of them with a stack of cards/letters/notes containing written words of blessing to them during both worship services that morning. You may bring your words of blessing to the church office anytime or to either worship service that morning. Thank you in advance for helping us bless our new deacons!

See you Sunday! ~ John
